

# Silencer AMTE-M-LH-G14

Part number: 1205861

FESTO

## Data sheet

| Feature                            | Value                                     |
|------------------------------------|---|
| Mounting position                  | optional                                  |
| Size of pack                       | 20  |
| Symbol                             | 00991473                                  |
| Operating pressure                 | 0 MPa ... 1 MPa                           |
| Operating pressure                 | 0 bar ... 10 bar                          |
| Flow rate to atmosphere            | 3140 l/min                                |
| Operating medium                   | Compressed air to ISO 8573-1:2010 [7::-:] |
| Note on operating and pilot medium | Lubricated operation possible             |
| Corrosion resistance class CRC     | 1 - Low corrosion stress                  |
| LABS (PWIS) conformity             | VDMA24364-B1/B2-L                         |
| Sound pressure level               | 83 dB(A)                                  |
| Ambient temperature                | -40 °C ... 80 °C                          |
| Product weight                     | 13 g                                      |
| Pneumatic connection               | G1/4                                      |
| Material shock absorber insert     | Bronze                                    |
| Material screwed plug              | Brass                                     |
| Note on materials                  | RoHS-compliant                            |
