SO 2813.200

Main data:

Model No.:	SO 2813.200
Designation:	Base/plinth 100 mm high, for enclosure WxD 600x600 mm,
Variant:	lackiert
Packs of:	1 ST
W x H x D:	600 mm x 100 mm x 550 mm
Mounting surface:	n/a
Volume:	10,70 dm ³
Net weight:	6,90 kg
EAN:	4028177032781
Customs number:	85381000
Protection categories:	n/a

[You can find the product in Catalogue 32, page 901](#)

Approbationen:

Article features:

Colour
RAL 7022
Supply includes
4 corner pieces, 2 trim panels front/rear, 2 trim panels
(sides),

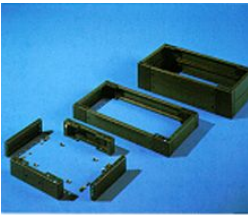

assembly parts incl. 4 screws and captive nuts M12 for
mounting on the

enclosure
Dimensions mm W x H x D
for enclosures: width 600 mm, depth 600 mm

sheet steel

Data sheet

SO 2813.200

Texts for tenders:

Base/plinth for network enclosure to obtain a greater floor clearance or for cable entry. By folding down the side parts, screw-fastening of bases/plinths and cable routing is possible. System punchings in the side parts for the installation of cable clamp rails and universal attachment. Special assembly parts ensure quick and stable mounting with only one screw per side part on the corner piece. Captive nuts with earth claws on both sides make buying on the enclosure easier.

Height: 100 mm

Material: sheet steel

Surface finish: RAL 7022

for enclosure dimensions: W: 600 x D: 600 mm
