TS 8189.235

Height 1800 mm, depth 900* mm
* with an additional fastening element at the top and bottom

Protection category to EN 60 529/10.91
IP 55

Texts for tenders:

Side panels, screw-fastened, for DK TS
Easy positioning on the frame with the location aid.
The enclosure panel holders with earthing insert ensure automatic potential equalisation and higher EMC protection.
They may optionally be fitted from the inside or outside of the enclosure. When using TS side panel hinges an opening angle of 180° is possible.
