Mounting plate attachment Type B, for VX – VX

8617.351

created: 11.10.2018 on www.rittal.com/com-en

Product description

Description:	For additional clamping and to reduce potential vibration of the mounting plate.
Benefits:	Simple mounting directly on the enclosure frame or on the punched section with mounting flange 23 x 64 mm
Function principle:	The mounting plate may optionally be screw-fastened with the mounting plate attachment, or form-fit connected. Depending on the installation situation, the mounting plate attachment type B minimally surrounds the mounting plate Keeps the front of the mounting plate completely free for unrestricted use May be mounted from the front or the rear, depending on the situation
Material:	Sheet steel
Surface finish:	Zinc plated, passivated
Supply includes:	Assembly parts
