Baying bracket, internal for VX – VX 8617.500

created: 20.06.2018 on www.rittal.com/com-en

Product description

Description: Supports flexible positioning and all-round mounting at the baying point. Fast, secure installation, optionally from the front or from the side, may also be used for baying to the VX base/plinth system.

Benefits: Fast, secure installation either from the front or from the side.
For all-round installation on the baying joint
May be flexibly positioned to avoid collisions with installed equipment
Also suitable for baying base/plinth components

Material: Sheet steel

Surface finish: Zinc-plated

Supply includes: Baying bracket, internal
Baying seal
Assembly parts

Note: 1 pack is sufficient for one baying joint

Product features

Packs of: 6 pc(s).
