## 3UF7100-1AA00-0

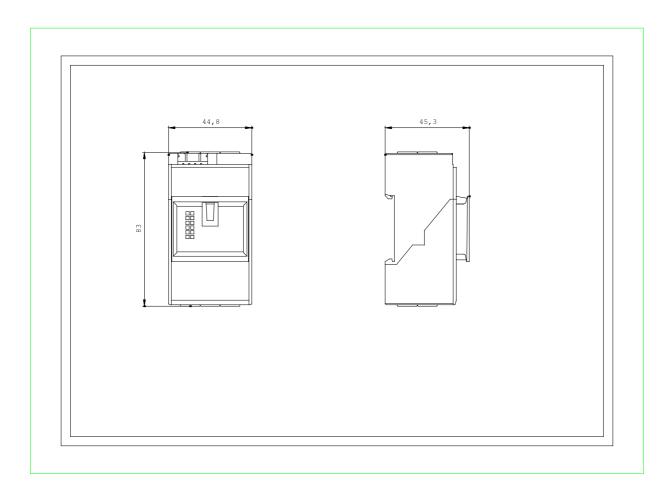

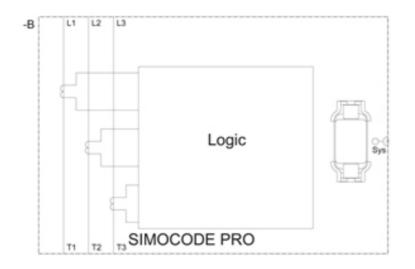

CURRENT MEASURING MODULE; SET CURRENT 0,3...3A; OVERALL WIDTH 45MM; STRAIGHT-THROUGH CT

| General technical data:  |                |                                     |  |  |  |  |
|--|----------------|-------------------------------------|--|--|--|--|
| product brand name   | uct brand name |                                     |  |  |  |  |
| product designation  |                | current measuring module            |  |  |  |  |
| Protection class IP  |                | IP20                                |  |  |  |  |
| mounting position  |                | any                                 |  |  |  |  |
| EMC immunity to interference / according to IEC 60947-1                                      |                | corresponds to degree of severity 3 |  |  |  |  |
| Conductor-bound parasitic coupling BURST   |                | 2 kV                                |  |  |  |  |
| Conductor-bound parasitic coupling conductor-earth SURGE / according to IEC 61000-4-5        |                | 2 kV                                |  |  |  |  |
| Conductor-bound parasitic coupling conductor-conductor<br>SURGE / according to IEC 61000-4-5 |                | 1 kV                                |  |  |  |  |
| Field-bound parasitic coupling / according to IEC 61000-4-3                                  |                | 10 V/m                              |  |  |  |  |
| EMC emitted interference / according to IEC 60947-1  |                | class A                             |  |  |  |  |
| Resistance against vibration   |                | 1-6 Hz / 15 mm; 6-500 Hz / 2 g      |  |  |  |  |
| Impulse voltage resistance / rated value   |                | 6,000                               |  |  |  |  |
| Insulation voltage / rated value   | V              | 690                                 |  |  |  |  |
| Number of outputs / as contact-affected switching element                                    |                | 0                                   |  |  |  |  |
| Adjustable response current  |                |                                     |  |  |  |  |
| <ul> <li>of the current-dependent overload release</li> </ul>                                |                |                                     |  |  |  |  |
| initial value  | А              | 0.3                                 |  |  |  |  |
| • final value  | А              | 3                                   |  |  |  |  |

|  | -  |                               |
|--|----|-------------------------------|
| Product component  |    |                               |
| input for thermistor connection  |    | No                            |
| Product function   |    |                               |
| voltage detection  |    | No                            |
| current detection  |    | Yes                           |
| Item designation   |    |                               |
| according to DIN EN 61346-2  |    | F                             |
| <ul> <li>according to DIN 40719 extendable after IEC 204-2 / according<br/>to IEC 750</li> </ul> |    | F                             |
| Communication:   |    |                               |
| Product function   |    |                               |
| bus-communication  |    | No                            |
| Main circuit:  |    |                               |
| Number of poles / for main current circuit   |    | 3                             |
| Operating frequency  |    |                               |
| rated value  | Hz | 50 60                         |
| Operating voltage  |    |                               |
| • at 50 Hz / at AC / rated value   | V  | 110 690                       |
| • at 60 Hz / at AC / rated value   | V  | 110 690                       |
| Control circuit:   |    |                               |
| Type of voltage  |    |                               |
| of the controlled supply voltage   |    | AC                            |
| Installation/mounting/dimensions:  |    |                               |
| Type of mounting   |    | screw and snap-on mounting    |
| Width  | mm | 45                            |
| Height   | mm | 84                            |
| Depth  | mm | 45                            |
| Connections:   |    |                               |
| Product function   |    |                               |
| removable terminal for auxiliary and control circuit   |    | No                            |
| Design of the electrical connection  |    |                               |
| for main current circuit   |    | straight-through transformers |
| Ambient conditions:  |    |                               |
| Installation altitude / at a height over sea level / maximum                                     | m  | 4,000                         |
